

**The iShare
Cabinet Lock is the
perfect solution for
self-storage facilities**

How Does It Work For Consumer?

- The iShare Smart Locker system is designed for secure, contactless, and convenient access to lockers using a smart scan-based mechanism.

- Step : 1 Open the SHRVEE App

Consumer Download the SHRVEE mobile app on their phone

- Step : 2 Find Nearest Spots for Vending Boxes

- The app shows available vending box stations using GPS and a map interface
- User selects a location based on distance and available products

- Step : 3 Visit the Chosen Vending Box Location

- User reach there with directions to the selected vending box

- Step : 4 Scan QR Code on the Vending Box

- At the station, the user scans the QR code on the vending box using the app

- Step : 5 Browse Products & Make Payment

- User browses available products within the app
- Selects desired items and completes payment using Card, Apple Pay, etc.

- Step : 6 Auto-Unlocks for Pickup

- After successful transaction the selected vending box door opens automatically
- User collects the product

- Step : 7 Return & Reopen

- Use the app to unlock the vending box again via QR code

Consumer Journey : **Luggage Locker Rentals**

- Step : 1 Open the SHRVEE App

Consumer Download the SHRVEE mobile app on their phone

- Step : 2 Find Nearby Luggage Storage Lockers

- App displays locker box stations with availability & select the most convenient

- Step : 3 Reach the Selected Locker Location

- Directions provided to reach the locker station

- Step : 4 Scan the QR Code on the Luggage Locker

-User scans the code using the app to access locker controls

- Step : 5 Choose Duration & Pay

- User selects the number of hours for storage & Make payment via the app

- Step : 6 Locker Unlocks for Storage

-The assigned locker opens and User stores luggage inside.

- Step : 7 Retrieve Items Later

-User uses the app to unlock the same locker

Consumer Journey : **Equipment Rental**

• Step : 1 Open the SHRVEE App

Consumer Download the SHRVEE mobile app on their phone

• Step : 2 Locate Equipment Lockers Nearby

- App displays nearby stations with available gear/equipment
- User selects a station with the required items.

• Step : 3 Go to the Equipment Locker Station

- User reach there with directions to the selected equipment box location.

• Step : 4 Scan QR Code on the Equipment Locker

- User scans the locker QR code to proceed

• Step : 5 Select Equipment & Rental Time

- User chooses desired equipment and rental period & makes payment securely

• Step : 6 Locker Unlocks for Equipment Pickup

- allowing the user to collect the equipment

• Step : 7 Use & Return Equipment

- After use, user returns the equipment and re-opens locker via app.

• Step : 8 Close Locker & Confirm Return

- Locker auto-locks after closure, and the return is recorded in the app.

How Can Business Make Money ?

Launch a future-ready business model that scales effortlessly across rental, storage, and smart vending needs.

For vending, Luggage locker rentals, and Hourly storage for personal items all through one app SHRVEE.

"Your personal storage, anywhere. Our lockers are available for short-term rental scan, pay, store, and go!"

Why Should Business Buy This Lock ?

- Instant Ownership. Instant Business.
- You can install it on storage boxes, lockers, or vending units at malls, stations, shops, gyms, or public spaces. As soon as it's set up, your locker becomes a self-managed rental unit — available to anyone nearby.

- Step : 1 Sign Up as an Operator

Create your operator account on the Frekis platform in just a few minutes. All you need is a valid email and basic business details.

- Step : 2 Set Up Your Stripe Account

To receive payments from locker rentals, connect your Stripe account securely. If you don't have one, we'll guide you step-by-step to create it easily during onboarding.

 Stripe is a secure and trusted payment gateway used globally for fast and reliable transactions.

- Step : 3 Register Your Lock

Add your smart locker details through the dashboard — including location, QR code, rental pricing, and availability.

- Step : 4 Go Live & Start Earning

Once approved, your assets will appear on the SHRVEE & Sharekayak App. Customers nearby can scan, rent, and pay — and you earn automatically via Stripe

- Step : 5 Track Usage & Earnings

Monitor locker status - View live booking activity- Withdraw your earnings- Set custom rental durations and pricing
